'Wow! I have no words to describe how amazing all of the photographs are. You have surpassed both Havva and my expectations and created something beyond our imaginations. Thank you so much.' Havva and Adam

'Thanks so much for contributing to making the day so very special (and for making me lie down seductively on the stairs!). Your calm, warm, unintrusive and kind manner helped us all remain relaxed from start to finish. You were truly wonderful!' Claire and Tom

'Thanks to you and Dana for working so hard yesterday and being so easy to work with. We thought you'd be good - turns out you were fantastic!' Helen and Lee

'We are just so delighted with the photos and the album really tells the story of a most beautiful day - thank you so much.' Wendy and Milton

'We really appreciate having such a lovely reminder of the day - it all seems a bit like a dream now!' Jo and Hugh

'We have just received our album this morning. It is a work of art and we will treasure it for years to come.' Vicky and Guy

'Steve, I love them! What a delight to see these whilst in an internet cafe backpacking somewhere in Argentinian Patagonia! Thanks so much!' Claire and Tom

'Thank you so much for your great service and help - it just wouldn't have been the same without you guys! Most importantly, everyone has said what a fab guy you were and it was more like having an extra guest there than the usually intrusive wedding photographer. So, a huge thanks!' Suz and Ricky

'I still can't get over how much work goes into this - worth every penny!' Celeste and Ben

'Thank you so much for the DVD with all our photos on - they are absolutely amazing and everything we'd hoped for and more! After having been back at work for a week, and the wedding already a distant memory, it was lovely to sit back and remember the day. It all went so quickly and the photos certainly brought everything back to us - and even gave us an insight into what we didn't even know was going on.' Lisa and Paul

'Lastly, can we add that a huge number of people commented on the day what a lovely gentleman you were (as of course, we already knew) and we thank you for adding so much to our wedding, not just with your photos, but your personality as well' David and Victoria

'The album is amazing - more than i ever expected, the album cover, the layout, the box - its all really really special. Shortly after going through the album, I wiped away the tears and raced to my mums and brought her back to my house for her to sit and look through it !! She loves it just as much as I do! I really can't thank you enough, the album is so wonderful and I will always treasure it and the memories of the day - thank you for doing that for me.' Kelly and Darren
